

KEY FEATURES

FULL HIGH-DEF 1080P VIDEO CALLING

Make a strong impression when it counts with the premium quality of the N108. Whether video calling or recording, you'll appear in clear details and vibrant colors, with fluid video thanks to the Full HD 1080p at 30 frames per second.

BRIGHTER IMAGES

Equipped with automatic HD light correction, the N108 fine-tunes to the lighting conditions to produce bright, contrasted images even if you're in a dim setting.

FLEXIBILITY THAT GOES BEYOND BUILT-IN

Small, agile and adjustable, the N108 Webcam brings a whole new angle to video calling, making you look like a pro.

Application Compatibility

N108 is compatible with Microsoft Teams, Zoom, BlueJeans, Google Hangouts, lifesize, Cisco Webex, Vidy, Amazon Chime, etc.

Nexvoo HD Webcam N108

Experience video calls that are the next best thing to being there in person. Sophisticated technology in the Nexvoo N108 Webcam delivers clear video in virtually any environment, even low-light conditions. With 1080p resolution, H.264 / H.265 video compression and a wide 90-degree field of view, N108 offers advanced webcam capabilities for superior video conferencing.
